### The Premises:

A very well kept and secluded house in the country near Kenilworth. Parking is at rear of the house and I felt very safe at all times. There is a shower and lovely fluffy towels on offer.

### The Lady:

Debbie is what she says on her site, a very petite 40 year old brunette with a flat stomach, a very pert bum and firm breasts with nipples that are erect at all times. She has lovely brown eyes that gaze into yours while she is giving you oral. Being petite has the advantage that the most beautiful parts are within easy reach at all times and she obviously likes them being reached.

### The Story:

I had my first punt with this lady and was very nervous. She quickly put me at my ease with kisses and cuddles and nature then soon took over. This is the third time I have seen Debbie. She is all things to all men. She can be slow and sensual, which is my favourite, but she says she can do raunchy as well. On this visit she met me in the little black dress that I requested. After some kissing and hugging I helped her undress down to some very pretty lingerie with seamed stockings. She performed a lovely oral on me with her eyes fixed on me the whole time. She says she will perform CIM but I wanted to last longer than that. Then some fingering of her lovely shaven pussy and some oral from me which she says is one of her favourite things. Then she gently caressed the whole of my body with her beautifully formed breasts. On with the condom and we finished in doggie with me able to fondle her breasts while she held my balls. A quick shower and a nice cuppa and chat with a lovely lady who I can't wait to visit again.
