### The Premises:

Was clean and pretty safe

### The Lady:

English lady with huge tits and quite pretty, about 48yr old, warm and very friendly.

### The Story:

opt'ed for hand relief for ?40. offered a massage, which i always enjoy first, and accepted. lots of tickling with her nails up and down my body and around my balls and when i raised my crotch a little off the bed she noticed and gave me a 5 min balls tickle and stroke from behind. Asked me if i wanted to roll over, and with the hardon i had i really did. I was offered her massive boobs to suck an caress and she slowly and gently began wanking my cock. After a bit was offered some oil on my cock 'to stop him getting sore' she said, which i accepted and boy it made all the difference what with her free hand sweeping oil all round my bollocks and her other hand now slipping an sliding up an down my cock i came in about amin if that.

100% recommended, can't wait to see her again.
