### The Premises:

Immaculate as always with the welcome warmer and the coffee tastier than ever. The shorter time bookings have increased in price a little but not the hour (or hours). Was introduced to Paris who greeted me with a kiss on the lips...I like her already. Not my preference to have a bath rather than a shower but if you sort out the temperature mix and get it started (or started for you) as soon as you get in the room, it is actually rather nice.

### The Lady:

Always considered petite, Mirela is smaller than her lovely friend Alexandra but not at all tiny - a beautiful body and pretty face. She was beautifully dressed in a shiny belt of a dress. Her body is young and firm, oddly similar perfect boobs and bottom to Alex.

### The Story:

Once Mirela had got over me booking her (she actually remembered she had seen me in Intimate 4 times over several months and wondered why I had never booked her...had just had other girls I was seeing at the time...nothing against her at all).

Mirela has very good English. Don't be put off by the intonation which has a little of the intonation of being spoken parrot fashion but Mirela does listen to you, does understand you and can have a fine conversation with you.

But it will be her body you go for. I loved the introductory fondling and then the oral was good and the different positions very satisfying - Mirela is as tight as she looks she will be.

Enjoyed the time immensely and realise I have missed out not seeing her before. I look forward to seeing her again, as well as Paris, Alex, Jade, and all the good-looking girls there I haven't yet met.
