The Story:

With a winner already in the old sky rocket from the Grand National I knew it was my day! Kitty is a typical girl next door with a great body and looks to go with it.

After her palm was greased the sheriff new it was time for action! we started off lying on the bed slowly kissing and cuddling until we was both naked with Kitty carry out some wonderful OWO using that pierced tongue... oh boy oh boy!!

It was time to pull on the muzzle and get to work. I pounded that tight pussy from behind delivering the full benifit which was taken in her stride.

After feeling the coggs turning and the sheriff nearing his peak I decided to jump off and change positions to cowgirl which she did not seem very keen on for some reason! Didn't let it spoil the fun and end up a great punt!

All in all a great agency and great girl.
