The Premises:

This place is immaculate - 2 clean bedrooms, music, Dvds and comfortable double beds. Great parking outside in a residential area with no nosy neighbours.

The Lady:

Her website says it all and is accurate - tanned, slim and always eager to please - I've enjoyed her company frequently and can never get enough!

The Story:

Eva always insists on trying to relax me, and she sure knows how to relax you with a proper professional massage - don't know if she has the qualifications but she sure knows how to find the right points! Seen her many times and she always manages to find a new way to make each visit more enjoyable - what happens is always private but very memorable.
