The Story:

My first 2 girl!

Wow! Words failed me really but here goes. I've seen both Fay and Eva several times and when it was suggested I try a 2 girl who was I to refuse... I'm only human afterall lol

Double everything! double the pleasure, double the fun, double the size of the grin on my face as I left, double the time it took the grin to leave my face.

From the moment they entered the room they were all over me, and they are really into each other too, so I got several additional treats along the way. Wow again!

Recommended? ... Just go and see and experience these two together for yourself...you certainly wont forget or regret it!
