The Premises:

Flair Massage - town centre location - previous reports accurately describe this establishment, however there has been a recent addition of a cinema-style 'projector' TV in the main waiting/pool area. Parked in town centre car park so felt safe and entrance is discrete.

The Lady:

Kelly is a lovely brunette with a deep tan all over. Mid twenties, about 5'2" or 5'3" and approx D-cup. Used to work at the other establishment in town, but now moved to Flair.

The Story:

Has a quick shower and then Kelly joined me in the room. Lovely sensuous massage paying attention to all the right bits, then I returned the compliment and went down on her with tongue and fingers. Kelly isn't one of those ladies who can hide when they're enjoying it - she came gushing all over my face (in fact I could taste her lovely juices all afternoon when I was back at work!) Finished off with an oily wank administered by Kelly until I can all over her wonderful chest. Marvellous.
