The Story:

Having the time to spare I opted for the "Soap-suds" 1 hour massage, and while it's not better than sex it certainly runs it close. Chloe was delightful, starting with a full 20 minute massage (talc) then a shared shower, then the horizontal body-to-body suds massage with a very happy HR ending. I tipped Cloe a tenner at the outset, and that gave me "touching rights" - it certainly didn't harm the attention I got either. Another shared shower afterwards, and I left a very happy chappie. All the "extras" are clearly displayed on a card on the door of the massage room, and I look forward to sampling Chloe again, perhaps with some oral assistance. Highly recommended.
