Same as the photo's. I though she was very attractive physically, nice firm small breasts, very nice pussy, slim.

The Story:

I had been poring over Gena's Punternet reports and photos for some time. I couldn't reconcile the very raunchy tone of her site with her performance in the videos - which seemed a bit detached. For some reason though I felt drawn to seeing Gena to find out for myself which was real. Let me caveat first; I didn't confirm with Gena until very late so this wasn't a long standing arrangement but she did say the time (0830) was OK - she did however when we arranged the meeting offer it at a reduction on her hourly rate.

The experience left me wanting; a lot of the dirty talk felt forced and she clearly wasn't 'into' what we were doing. The oral sex was good, don't get me wrong, and she has a nice tight puss and she is up for pretty much anything (although she said she'd have to charge me 'a lot more' for anal - which I thought was all included), but I got the impression she was rushed, and because I had nowhere near the hour she said she'd give me extra time next time, but I don;t sure I want a next time, I wanted 1 hour then, not 90 mins later.

So now I have had the gena experience; summary? Good for PSE, but I prefer GFE. Was it awful? no, would I go back?, no
