The Story:

found the girl through the PN SPD which seems a safe way of working working.

I must say I was thrilled when I saw her in real life.

WE got on well and in no time my cock was in her mouth and things were going very well indeed.

Worked her though rev O and 69 as well and the nshagged her every way I could last through which only weorked out as cow girl and doggy but what fun I had doing it.

Really nice girl and terrific punt.
