### The Story:

made an appointment for 5:30 with demi, she gave me address etc.. to her place and asked me to ring her as soon as i arrived and she would let me know flat number, got there and rang no answer waited over an hour and rang about 20 times and even text no reply, this was a 40 mile round trip to sit in my car waste of time.

very unprofessional lady if you did not want too make the booking why bother or at least return or better yet answer your calls,

judging by previous reports they are all positive but my experience was very bad.
