The Premises:

Reasonable flat in safe part of Paddington. Almost unuseable shower.

The Lady:

Teenage model looks. Photos do not do her justice. She is both younger looking and prettier in real life. Small but firm pert breasts, tall (maybe 5'10), slim. Very pretty. One of the best looking girls I have visited. Slightly olivey tint. Could be north Indian if you imagined hard.

Up there with the greats - Sandra, Salma, Neelam, Rania, Anisha, Fernanda, Adriana etc - and possibly the best looking of all of them.

Body and looks both 9.5/10.

The Story:

Angela is Romanian with modest English. Has been here three months. Her manner is slightly distant. Not unfriendly as such, just a little aloof. She is however quite responsive in bed, though whether it was genuine or faked I'm not competent to judge.

Other agencies she is with say A-levels are on offer but I didn't investigate. Also didn't explore any kissing or owo so can't say about those either. Basically I was so mesmerised by her looks and body that my journalistic instincts went out of the window.

So if you are looking for an all action punt, I don't know if she is the right girl. But for sheer hot looks and body, she is hard to beat.
