The Premises:

Very discreet residential area, felt very safe with no overt prying eyes. Easy enough to find with her directions but a sat nav wouldn't go amiss either!

Inside a proper lived-in home, rather than premises purely for work.

The Lady:

Tall (in heels), lovely eyes and smile and very friendly from the start. She was slightly more mature than I had anticipated but that wasn't necessarily a bad thing. Lovely nipples straining against a red halter top and gorgeous smooth skin.

The Story:

Was greeted with a nice kiss on the lips and then led upstairs to the bedroom where it was straight into the action. I'm more used to the little bit of chit chat for the first 5-10 minutes, but then again why waste precious time chatting when you could be doing more enjoyable things? That is precisely what I did for the next hour...

This lady loves cock and it shows. She gives one of the best blow jobs I have had the pleasure of experiencing, with plenty of deep throating and attention to detail. She is extremely accommodating in whatever or wherever your carnal pleasures lie and for the best part of half an hour I fed her my member whilst looking down at her greedily sucking on it - what a sight!

I would have been happy to carry on in this fashion but decided not to be too one dimensional and slipped on a condom. She has gorgeous labia that beg to be nibbled and sucked on. I pumped and pumped until I thought I was going to explode. In the end it was all a bit too much and I near-collapsed in a heap on her bed.

Was offered a shower with clean towels, no rush to end the appointment. A thoroughly enjoyable experience with a consummate professional. Not very many places you can go for an experience of the same calibre.
