The Story:

I have been visiting Maya for nearly 10 years now and hopefully I will be seeing her for many more. It is always a very pleasurable meeting which is conducted in a warm and sensual atmosphere.

The sessions normally commence with a sensual massage with particular attention being paid to my "dangly bits". Then the atmosphere quickly heats up once Maya starts to employ her oral skills (BBBJ) - in all my years of punting I have not met a lady as skilled as Maya in utilising her tongue, lips and throat in pleasuring the "old boy".

Then we move on to the 69 position and finally on to full sex in a number of positions, normally while watching ourselves in a mirror - it is like watching a porn movie while indulging!

Maya genuinely appears to enjoy herself during the sessions and is very passionate which ensures it is a very intense and pleasurable experience.
