The Premises:

I met Claire at a clean, modern house very close to the town centre in a pleasant area with adjacent parking. I felt very safe, and found the house easily with Claire's very clear directions.

The Lady:

Claire is gorgeous! She has a superb figure, which was apparent from the moment that I walked in door and was welcomed by a very sensual kiss. She was wearing a short skirt, stockings and a blouse that just asked to be unbuttoned as soon as we had gone upstairs. And unbutton it I did, to reveal the most beautiful pair of breasts encased in a black lacy bra. Claire is even more attractive and desirable than her pictures show - and that is saying a lot!

The Story:

My time with Claire was fantastic - a true GFE at last, with no inhibitions but genuine passion and lust. We kissed and caressed as we undressed each other, and soon I felt her moist parted lips sliding down on me as she offered herself to me. Her nipples are so suckable and she responded to my tongue with moans of pleasure as I lapped and licked between her thighs. Then, the long session of 69 with Clare on top of me was amazing. Claire really enjoys her profession and enjoyed A stimulation while my lips and tongue were buried deep within her smooth moist flesh. I had to stop my self from cumming several times during the first half hour. We then moved onto Claire riding me so that I could fondle her breasts as I entered her and we both climaxed. My experience with Claire was the best I have ever had - and I have had a lot. I will see Claire again and again - cant wait for the next time.
