The Lady:

A gorgeous slim, busty brunette. The website photos are recent, but as usual don't show her face, so the only thing to say is that it is every bit as attractive as the rest of her.

The Story:

A superb punt. Amber was dressed in a skirt/blouse with high heels, stockings and lingerie. We got acquainted on the sofa first, and I quickly decided to extend my one-hour appointment to 1 1/2 hours.

Then it was through to the bedroom. I came out of the shower to find Amber reclining on the bed in just her undies - perfect ! I don't go into details, but let's just say that Amber was more than enthusiastic and willing, and I had a great time and think she enjoyed herself too.

Aside from being great in bed, Amber is also an interesting girl and we found plenty to talk about.

The time went too fast and it was just over the 1 1/2 hours when I was leaving - certainly no clock watching.

I think Amber will soon be very popular and I have already booked another appointment.
