The Premises:

A small, clean and tidy flat about 10 minutes drive from Nottingham city centre. Parking outside and I had no worries at the time of day I went.

The Lady:

A very attractive, busty brunette in her mid-20s

The Story:

I arranged to see Mistress R after seeing a previous FR on her here back in January this year. I was not disappointed and have now seen her several times.

This is domination in a domestic flat setting, rather than a dungeon. Personally I find that a good domination session is more about the person giving the session than the setting, and Mistress R is obviously very intelligent and able to judge what you're into and how to direct the session. This involves plenty of questioning about your needs/desires/fantasies (itself a good part of the domination session). Between sessions I find she remembers what was covered in the session before, and develops themes in later sessions.

In my case this involves plenty of teasing and bondage, with some punishment and humiliation, all of which she delivers very well.

Overall a brilliant session of domination and I have no doubt I will be returning to her regularly.
