### The Premises:

Large, high ceilings. Massive bedroom with bed, couch, coffee table and TV. 5 min walk from the Tube. At that time on a Sunday it was very safe.

### The Lady:

Blonde Russian, Has been here 5-6 years and thats when the photos were taken. Pasty white skin, saggy boobs and a bad attitude. Stunk of fags and the ash tray is left by the window in the bathroom.

### The Story:

This was a discounted booking after my poor punt with Alice of the same agency. This one was just as poor.

Shown into bedroom and asked "you want drink, water?" Dispensed from an opened plastic bottle next to the bed, into a small glass. Then asked "you have money" then instructed to have shower. Only managed to come once, could be bothered to try a second time( thats me who couldnt be bothered ) but I dont think it was on offer. She just sat there staring at the wall.

I took an early shower and left.

She is Lera on Diva, and Yana on Barracuda.

Obviously this agency has a winner with Pam and the rest seem like dross that appear on other sites.
