### The Lady:

Faye is 29 years old and has a size 8, 32B-24-32 figure. She stands at approx 5'5" tall with short blonde hair and lovely blue eyes.

### The Story:

I have seen Faye a few times over the last six months and decided it was time to send in a report. We started with a good massage on the massage table before moving over to the bed for a little cuddling and hand relief before on with the condom for some excellent oral, this included Faye sucking and licking my testicles.

Sex was in just three positions, first with Faye on top facing towards me, second Faye on top facing away from me and then third in doggy with Faye hanging over the end of the bed so we could watch each other in the mirror. After a long session and with the deed done Faye raised up and we knelt with her back against my chest and head on her shoulder hugging her as we chatted and my erect would not subside.

Faye suggested we use the Jacuzzi and come back for seconds after a few minutes. Sadly we got chatting and when we emerged from the Jacuzzi area there was only ten minutes left, so I lay on the massage table so that Faye could massage some moisturizer into my back. I stood against the side of the table to allow Faye to apply the lotion to my front. The sight of her kneeling naked between my legs as she applied the lotion had the little fellow stirring back into life, but I had to think of England and let the feeling pass.

Faye was simple fantastic and I would have to say that she is one of the top three ladies currently wrking at Victoria House. The 'holy trinity' to my mind is Faye, Mia and Sophie; purely in alphabetical order as I can't decide between the three of them.
