The Premises:

The area was very safe, good parking a little bit too public for my liking as it is on a very busy main road.

The Lady:

Laura is as described on the web site, with a great smile and personality. Not quite a bbw but she is certainly a beautiful women, you could say she is a Bonny Lass.

The Story:

I went to classic as a bit of a birthday treat for myself as my birthday is a little later in the week today was the best day for me to go. Laura was not aware of this but i got one hell of a birthday present. She really enjoys what she does and once you kiss her you will not want to stop. She could kiss for Scotland. The rest is between me and Laura, but in a word she was fantastic.

Thank You Laura
