The Premises:

A nice discrete detached house on a small private housing estate. Totally safe, felt a little uncomfortable about nosey neighbours but should not have worried.

The Lady:

Mid 30s about 36B(very sensitive nipples) 26 36 blonde hair. see photos on UK escorts site.

The Story:

Jan opened the door wearing a very short black skirt and grey jumper. She instantly started kissing and rubbing my cock through my trouser. Jan led me upstairs, to a nicely decorated bedroom, where the kissing and caressing continued on both sides. I removed Jan`s jumper and Bra to caress and lick her breasts. Hitched up Jan`s skirt to reveal matching pants and suspender belt, pulled the pants to one side in order to give Jan some oral (she appeared to enjoy this very much) as she girated her pelvis against my tounge and mouth.

Following this Jan gave me one of the best BBBJ I`ve ever received including DT and often looking me straight in the eye, the BJ was interlaced with intervals of heavy French Kissing and Caressing followed by Brilliant Sex (covered) with Jan ontop and those lovely nipples in my mouth. After I had recovered sufficiently (this did not take long) with Jan`s expert tongue I recieved a second round of the expert BBBJ and wank combination. Gents this is a real "lady" treat her with respect. I certainly will be returning to see Jan as soon as the easter holidays are over and things return to normal.
