The Story:

Bonnie put me at ease from the word go. After some warming up we had a sensual shower. Back in the room and after exploring that lovely body it was some mutual stimulation including sixty-nine. Not very long and that sweet pussy was flowing juices and pulsing in the wake of several orgasms. After the pleasure of that tight mound around my flesh I came in a glorious explosion of ecstasy with Bonnie on top smiling and rubbing her ample tits on my chest. When I got up I felt well and truly shagged - but left with the glow of some fantastic copulation. I'm definitely coming back for more
Don't forget me Bonnie!
