The Premises:

Nice flat just off the high street. Parking on the street was easy enough and as it was mid afternoon on a bright sunny day it seemed safe enough.

The Lady:

Tall, slim, pretty indian girl who's in her early 20s.

The Story:

Opted for the 45 minute GFE cum twice option with extra for OWO. Round one (OWO but not CIM) was over all too quickly then after a period of kissing and cuddling round two was more OWO followed by sex which was nice and tight. All in a good experience although in hindsight the 1 hour option for an additional ?25 would probably have been worth it.

A previous report on Fun Place mentioned the delay between paying for the room and when the girl comes in. I was sat waiting for nearly ten minutes before Reena joined me in the room. As it happened it was all over before the maid had to knock on the door but I was aware that this delay could have impacted on my time with Reena. Keep an eye on this lads.....
