All were very friendly. The host was lady mamarlade.

The Story:

erm.. I really didn't know what to expect, this was my first party i have ever been to, i nearly bottled it at the last moment, but luckily i didn't.

I knocked on the door and was allowed in. I follwed another chap in.

Was greeted by Lady M, I said it was my first party. She sent me down stairs and i undressed, put my clothes in a locker and my all my valubles in an envelope, grabbed a robe and a towel and waited for further instructions.

I took a quick shower and was led upstairs where all the other girls and punters were waiting, the "butler" got me a drink and when everybody was ready we was led downstairs to the 3 plush bedrooms.

i soon relaxed when Paloma spoke to me she layed me to a bed and she undressed, she then gave me a BBBJ for a short while, we then swapped places and i went down on her, she had a pierce clit which i gave my full attention.

She then turned her head and started to give a chap a BJ, well this was a first for me, and i never expected it.She quickly put on a condom on me and i proceeded to have sex dogy style.

I won't carry onto great detail about the rest of the girls, but i had the best punt in my life that day, having sex in several postions with serval girls, numorous BJ's and HJ's even a 4 handed HJ which was fantastic.

special mention to melina, jasmine, and sandita who i can recall gave me a very special time.

I was not put off being in the room with other guys, which i thought i would.

evrything was supplied by LMP, all i had to bring was my donation and myself.

The time there was just right, there was no rush, and to be honest i could of been with more girls if i wanted to, infact as i got ready to leave one of the girls came up to me and said, that i didn't see her.

I will defo be back, just don't spread the word about, as this party gets booked up very quickly.

I don't think i will go anywhere else now except here.

Thanks Lady M
