The Premises:

flat over shop, reasonably discreet entrance, the room was well decorated and clean.

The Lady:

good looking mid twenties blond, definitely the girl on the website, though she has had her hair cut to shoulder length.

The Story:

had a really good time with Louise, she has a nice friendly attitude and a wicked sense of humour. She gives a very attentive no-rush service, her OWO was particularly memorable as she maintained eye contact throughout. Then we fucked in doggie and missionary positions. All in all a very good time with this nice English girl.
