### The Story:

This place continues to offer the best looking girls and the best quality for miles around. I've been a regular now for about 3 years and have seen most of the girls that have worked there. The maids are always very nice as too is the owner who clearly understands the business she's in and is doing a fine job at meeting those demands.

Bianca was fantastic. Great massage with boob play and kissing my bum was heaven. On with the bag and off onto a short but very nice blowie. Then she leapt on board and start riding away whilst allowing me to nibble and lick her ample tits. Very nice I thought, what a way to spend a bank holiday Monday. Then it was on to missionary and this is where Bianca really excelled. She wrapped her legs around me as I fucked her and also played with her nipples and clit as I pounded into her harder and faster. Soon I could feel my spunk building and before long I'd filled the condom deep inside her.

Overall very good. Would certainly recommend and revisit.
