### The Premises:

Usual nice apartment, described here many times.

### The Lady:

Suzi is a fair bit older than the "21 years" in her description - more like early 30s under the foundation and fake tan. But I'm not complaining, she looks like the lovely blonde Katie Sugden from Emmerdale, very nice. Superb body, great skin, enhanced boobs are great, there's a six-pack in there too. And oh, what a gorgeous pussy, with a huge hanging clit you can't miss!

### The Story:

Great deep-french kissing, very active, had a wonderful time, proper GFE. Will be back. Highly recommended.
