The Story:

Welcomed on arrival and reassured all was well.
She is bright and cheerful and easy to get on with.
Shown the shower and the bed room.
After the shower onto the bed and off we went.
She kisses nicely and soon worked me up.
Oral and 69 were good and she certainly likes it.
On with the mac and shagged her from behind and on her back.
Sure she came and I know I did.
Lovely girl and a very pleasant hour or so.
