North side of Merrion center. Been in the building before visiting another girl but it is a huge building!

The Lady:

Great looking black girl

The Story:

Once inside was offered a drink and and spent a few mins staring at her. Sorted stuff out and got to grips with her. Off for a shower and onto the bed for more action. She kisses very nicely and once out of her kit things moved along quickly. She likes attention herself and loves to be suck and licked. Oral 69 and shagging all took place and she did exactly as asked and seemed to enjoy herself as well. Great session with very nice girl.
