The Premises:

Nice cottage on main road. Bit of an exposed entrance (ooer missus). Parking around the corner on a meter. Make sure you ask where it is. I know all three maids now and it feels like popping in to a friend's house.

The Lady:

Tall, slim, blonde, very pretty face, full lips. Medium bust and lovely arse. A nordic dream (if that was where she came from). Katrina always makes a grand theatrical entrance to the room in nice undies. I'd be happy to have her on my arm at the theatre, or to take her to meet my mum. Sexy, but very presentable.

The Story:

I've seen Katrina for about a year now, having met her at another parlour in Surbiton, which to be frank was way below her class. I told her and she moved. Our encounters just get better and better and really feel like a GFE experience (but the girlfriend that I certainly never had the good fortune to get!). So it's hard to say what it'd be like if we met for the first time. If I ask, I get a nice massage, but normally we just get into a naked cuddle and a snog while we catch up with each other's lives. It would seem to be caddish to go into intimate detail but suffice to say that Katrina's owo is superb, her kisses are passionate and the love-making exquisite. And on top of all that, a gorgeous accent. Katrina's bright as a button and chatty, but not overly so. It's just so nice to chat with an intelligent girl in that after-glowy 5-10 minutes.
