The Premises:

As reported, Lacey's new place near Heathrow. Clean, and well equipped. Parking after 5 is free on the main road, or you might be able to park in the drive. But watch those gate posts - they're very narrow!

The Lady:

Had seen Kim at the Slough place then found she'd returned after a time away. Kim isn't on the website, but has been doing Tuesday's, as she used to. Curvy hour-glass figure, full breasts (36DD?), dark hair in a bob, dark eyes, fully shaved. Basically the sort of body that says, "fuck me". Was wearing a string top that left nothing to the imagination and a thong.

The Story:

Always manage to have a nice chat interspersed with passionate kissing, great owo, oral on her and great sex. After stripping Kim gave a really good massage and then turned me over... She gave me some oral then I returned teh favour. After she came (I think) she performed such great oral on me this time that I nearly didn't make it to sex at all. After putting on a condom I exploded into her within a few seconds. A great GFE.

I've never seen Kim on an off day, and I think it's because she only does one day at Lacey's. A pleasure seeing her.
