### The Premises:

Slightly run-down exterior but clean and tidy inside and with a very discrete entrance. Plenty of free parking nearby.

### The Lady:

Lovely looking 23 year old with long brown hair and a pretty face. Good personality and sense of humour, and easy to chat to.

### The Story:

This was generally excellent value for money. Massage; kissing; blow-job; 69; sex in a couple of positions; anal to finish. My only reservation was that it was all a little bit rushed and I was out of the room after only 20 minutes..but I was getting a LOT for the money. Definately enjoyed myself and would happily see Chelsea again (and recommend her to everyone), but would perhaps opt for a little less 'activity' in exchange for rather more time.
