The Premises:

Very well presented industrial unit conversion, similar to Valentines in Peterborough but even better!

The Lady:

At last, some genuine talent out here in the sticks! Gorgeous 29 year old brunette 36DD I would say size 10 to 12?

The Story:

I don't know why I am writing this I want to keep her to myself!

Kathryn has THE touch! My Massey Ferguson hasn't been serviced like this in a long time, she is VERY good at what she does and you can hold a decent conversation with her!

Started with a very nice massage with attention where expected and needed then she asked me to turn over which, by this time, was becoming necessary, I tell you this girl will get you hard!

Then on with the rain coat and the best BJ I have ever had, lots of eye contact and what eyes! Then, with perfect timing she climbed on top and slid my tractor into her garage, I tell you she is made for it and loves it!

Finished off doggy style with lots of verbal encouragement from Kathryn, I told you she loves it!

This will probably bankrupt us poor farmers but I will most definitely be back as often as possible!
