The Premises:

Typical 3rd floor Lancaster Gate flat. Easy to find, discreet, comfortable

The Lady:

Veery slim, small breasted girl exactly as in her pics. Arrived in London 3 weeks ago from Riga. Says she is (only just) 19 and looks it. English very basic, adequate for communication but not to hold a conversation.

The Story:

Started with her undressing and standing there uncertain of what to do next. "Massage?" she asked, well she should not have bothered - her massage was worse than useless. I turned over and she started kissing my front and on to owo. Her oral was really quite good. Deep, wet and no hands. Eventually on with the condom, I stood her up and took her bent over the bed. This girl struck me as sexually inexperienced and naive, probably because she is only 19. She seems willing enough though and others may enjoy increasing her experience! Incidentally she shares the flat with Liana (from the same agency) who looks very pretty
