The Lady:

much has been written about Debbie but this was my first chance to meet this legend of punternet. Impressions were very favourable, very sexy approach to her which meant that you know immediately you are going to get on. Compelling eyes!!

The Story:

Had a great time. Nice hour flew by with a brill shower and then as I encouraged her, Debbie learnt something new about herself! That she could make herself squirt when cumming.... Result!

Much lust followed and I will definitely return for round 2!!
