Fun place. What more can you say. Clean, discreet, top establishment.

5,7 Brunette, nice tanned body and curves in all the right places. Peach of an arse and naturally pert breasts.

The Story:

Honey was on my list of girls to see at fun Place for a while. Was led to the room and awaited with the usual excited feeling. When she entered i must say it was not what I expected but not a disappointment by any means. Undressed and climbed between her. Honey is one of the best kissers. Very passionate, sexy and great use of her tongue which she let me suck a few times. Sucked her nipples, straddled my face whilst tasting her juices, bang from behind(gorgeous round ass)before she sucked my balls. Finished me into her mouth.

Nice punt.
