### The Premises:

Hotel in Norwich, discreet, no problems whatsoever, room was nice and clean and tidy.

### The Lady:

Gorgeous blonde haired girl in her mid 20s, absolutely stunning with superb natural big boobs and a cracking bum, lovely eyes and skin, I could go on and on but you get the picture, shes beautiful.

### The Story:

Been a while, way to long in fact, since I had seen Laura, directed to her room and let in, greeted with a kiss, she remembered me which was sweet, we went through and sat on the bed and had a quick catch up on things.

Started off with some proper kissing which continued all the way through, sucked on her nipples, plenty of uncovered oral without for me, oral for her sex in numerous positions and finished off with a naughty facial over her pretty face whilst she gave a cheeky smile. Some more chat whilst still on the bed before putting our clothes back on.

Why I left it so long to see this lady again I have no idea. Its an outstanding GFE with Laura, who puts 100 percent into your time with her, loves sex and everything to do with it, is such an engaging, intelligent and bright young woman whos great to get along with, and will ensure you leave with a massive smile on your face.

Right up there with the best of the best ladies I have seen so far and will be paying her another visit very shortly. Highly recommended.
