### The Premises:

Newish, very quiet & discreet, flat in block with gated entry & very Ok parking outside.

### The Lady:

Slimmer than the photos, very tidy bod,

### The Story:

Greeted with a smile, a no messing about approach & tongue down my throat - at home straight away.

The glasses don't come off, they're part of the effect.

Not a lady for anyone hoping to discuss life the universe & everything, she's straight to the point, to bed & to enjoyment.

Certainly knows how to find all those "places"; tongue & fingers everywhere. I just laid back & let her do her wicked best(or is it worst?). When she was ready she hopped aboard & rode until she'd... then we rolled over & I thoroughly knackered meself.

A nice sexy lady with a big smile. Have fun guys
