The Premises:

Her rented hotel room but didn't really look round much. It seemed nice enough. Small room but had bed and shower so was fine

The Lady:

Better than pictures on website. Around 5'7" same as me (we checked in the mirror) beautiful face, Smooth skin and a couple of very nice tattoos. One on stomach and one on Mid-Lower back. Soft long blonde hair.

The Story:

I was in London for an exhibition and needed to do something other than suck up to people. Started to make my way over but was going to be late. Agency was great when I called them but turned up 20mins after I was meant to. Louisa answered the door with a big smile on her face that cheered me up straight away. She looked stunning and was very bubbly and playful. I had a shower as I always do (simple manners) but Louisa really wanted to get going as she was rearing to go. Louisa is great at BBJ and very energetic in the sex department. She loves toys (we used a few) and she likes to show when she's having a good time. Louisa you were great I will be back.
