The Premises:

Pia has just moved in to a very nice new flat in Hemel, close to a multi-storey car park and with access by entry phone. It was only her second day there so she was still unpacking and getting sorted but once she has the place straight it will be outstanding.

The Lady:

The photos on her website give a good impression of her lovely body but her face is blurred for security reasons. Don't let that put you off seeing her. She has an attractive face with a lovely smile and eyes that could make you melt.

The Story:

Pia is one of those escorts with whom I felt immediately at home and comfortable. She is friendly, chatty, relaxed and gets the encounter off to a really good start. Once in the bedroom, she is in her element and clearly enjoys her work. If she had as good a time as I had, she had a very good time indeed! She was very responsive to my oral efforts and when my turn came, her OWO was of the highest quality and went on to the point where I thought my efforts to hold back might prove irreversible later, but all was well and a prolonged session of mish produced the desired outcome. I am delighted that she has moved within a 30 minute drive of me and look forward to seeing her again very soon.
