The Premises:

Ground floor flat just off a main road near university but flat is very secluded and safe. Free parking at nearby supermarket (no clamping) Flat is being modernised and is almost completed. Very tidy and clean with excellent showering facilities. Lovely big bed -complete with handcuffs.

The Lady:

Mid-late 30's lady with beautiful eyes, shoulder-length blonde hair and a lovely cuddly figure - probably a size 14. Great natural breasts and a lovely firm bum. Delightful shaved pussy-no inner lips dangling down. She's a chatterbox but lovely to listen to..and as sexy and horny as hell.

The Story:

I'd seen Cat once before some years ago but never left a report. This time I am as I've just had the best sex in years.

She was very pleased to see me. She offered me a drink while we got through the intros..then it was hard at it.

Handcuffed to the bed I was at her mercy. She gave the best BBBJ ever then put lube on my knee and wanked herself to a shuddering orgasm then slipped a condom on me and did cowgirl having more mini orgasms as she rode me. She's so, so sexy.

A bit of W/S fun then back to more sucking, rimming cumming with me deep inside her. Finally CIM followed by snowballing. What more could a guy want?

Many thanks Cat. After this experience I'm definitely cumming back for more. It will be a couple of weeks before we meet again - definitely not years like the last time.
