The Georgian is a lovely place always made to feel welcome the 4 times I have been there. The mixed race lady on reception is quite sexy too (pity she doesnt work in the rooms lol)always offered a drink and some friendly banter. Parking nearby discreet and safe. PS the new web site is brill.

The Lady:

I chose Carol when I arrived. I had the choice of Carol and Stephanie (who i may pick next time)as i hadnt booked. Carol has Olive skin very sexy eyes and a bod to die for beautiful long dark hair :)portugal I think she said she was from!! yum

The Story:

Started with a lovely slow massage with oil .. excellent hands and also made me feel relaxed with some banter. I rolled over after a few minutes and she stared me in the eyes and whilst nibbling my nipples asked if I would like it with or without. I decided on without. Great technique lots of ball licking ... i slipped of her knickers whilst she was doing this .. her bum and boobs were gorgeous curves in all the right places and a nice shaven pussy to match. I decided to go down and 69 her with me on top .. she tasted divine and soon got wet.. slipped one finger in her whilst i was licking and also one in her bum (told me off tho) lol she seemed to quite enjoy the oral .. we moved onto missionary after she skinned me up .. was lovely watching those sexy boobs bounce and also look into her very deep sexy eyes .. finished in doggy .. all in all another wonderful visit .. will be back
Thanks ladies
