The Lady:

Karry is about 5 feet 9ins tall, very buxom figure, long legs, nice arse. She was dressed in a lovely pink basque and pink thong. Pinks my favorite color on women.

The Story:

Karry greeted me with a passionate kiss, and made me sit on the edge of the bed, still kissing me she slowly undressed me. We move onto the bed, where she stroked my cock to hardness. I had my hand down her knickers working on her clit, and insert my fingers. She was enjoying my play and soon screamed as she came. She moved down the bed and took me in her mouth, the feeling was great as she has a stud through her tongue. I asked to stop as I was very close to cumming. She put a condom on me and kneeling on the bed I enter her from behind, mine and her favorite position. She came again, and not long after I came.

We chatted for a while with her kissing and stroking my cock. When I achieve hardness again her mouth and hands worked on me until I shot my load into her mouth.

Karry doesn't clock watch and make sure I enjoyed myself, definitely see her again
