### The Premises:

It's a smallish flat on a quiet road. There is good parking. It's a busy area but safe nonetheless and there is a trainstation nearby.

### The Lady:

Tall, slim, good looking and very sexy. She looked really sexy in black lingerie.

### The Story:

Didn't waste time, we both got into some really hot foreplay, kissing, touching and tasting each other. Amelia was very responsive to my touch which turned me on even more. We got down to the sex soon afterwards where I managed three different positions before I finished off while kissing her deeply.
