The Premises:

As reported previously, clean and safe house. Parking available on the drive, or cheap parking on meters nearby if (like me) you'd rather your car registration wasn't so obviously associated with the place! Nice bedroom with well-placed mirror and comfy bed.

The Lady:

Why they don't put Kim on the website I have no idea - she is gorgeous. Early 30s, short black hair and fantastic slim, curvy, busty body - the receptionist said 36DDs and I don't disagree. Lovely smile and very welcoming.

The Story:

This was a fantastic punt. I decided to treat myself and go for the ?150 "all in" for an hour, and am glad I did. Kim stripped off and got me standing to attention straight away with some great kissing, then dropped to her knees and gave me a heavenly deep BBBJ. Full view of the mirror which was awesome, and when I eventually succumbed to her skills she swallowed every drop. Mmm.

Some nice chatting before the main course, which was just as good - started with some more bareback sucking and Kim was definitely up for most things (I didn't try A so don't know about that). Eventually I came in doggy, grabbing those tits from behind.

Can't recommend enough.
