### The Premises:

Small pleasant flat in modern block near city centre and Ocean Village. Buzzer entry system safe and discrete.

### The Lady:

Very small lady but nicely proportioned with lovely soft breasts and large very responsive nipples.

### The Story:

Was met with a nice smile and having disposed of the formalities sat and chatted for a few minutes to "break the ice". Started to kiss and cuddle while undressing each other before moving onto the bed for the main event. Demi then demonstrated that she is a skilled lady who knows how to give and receive pleasure. After the climax we lay and kissed, cuddled and chatted. She is intelligent and a pleasure to converse with and has a nice sense of humour. The available time passed all too soon.

Treat her nicely and with respect guys, she is a real treasure, will certainly be back.
