The Premises:

Hotel room in kensington very tidy safe decent size fit for purpose.

The Lady:

blonde, busty, prettier than pics, looked great in red lingerie. Small girl but perfectly packaged. nice smile and her accent (welsh) is fantastic. Fantastic arse

The Story:

Loved every minute of it and so did she. Clicked straight away excellent OWO very deep and wet sex in mish, cowgirl, reverse cowgirl, even managed to pick her up and fuck her against the wall, she came in this position, hanging on and biting my shoulder.

She does take some time to cum and when I went down on her my jaw ached but her face when she cums is great. I finally came over those lovely tits and she licked it all off.

The only downside is she doesn't like to be fingered which I love doing to girls but never mind.

A great Pse and good to talk to as well
