The Lady:

Not very tall, probably just over 5 feet. Pretty much exactly as in the photos. Very slim waist and rounded bottom, pierced belly button, mostly shaven, small natural boobs with big nipples. Slightly hairy lower back if that sort of thing puts you off!

The Story:

Vicka arrived a few minutes early, which slightly caught me on the hop. Very friendly girl with excellent conversational skills. I noticed she smelled very nice as soon as she arrived. Chatted for about 10 minutes, but as it was very hot we quickly undressed. Her oral technique is pretty good, although not enough to make me come. Had sex with her on top and vice versa, with me then taking her from behind. I wasn't really full of energy, so Vicka did end up leaving about 10 minutes early, which was no problem.

Vicka's friendly and eager to please attitude is spot on, so I would recommend her for that alone.
