The Premises:

discreet, very easy to find. very clean with pleasant surroundings. also easy parking.

The Lady:

mature brunette very attractive with waist length dark hair. curvy but slim and had lovely pert breasts with huge nipples to die for. she was dressed in seemed sexy black stockings, black lingerie and high heels.

The Story:

to start with she gave me a nice but very tantalizing massage of which made my 3rd leg stand to attention. then followed by deep throat oral of which i wanted to explode as soon as i felt the back of her throat. to finish she climbed on top and squated over me teasing me then slid down on me. oh gosh what a mind blowing experience.
