The Story:

After my earlier disastrous meeting (see other report) I made my way back to see Angel. Another girl had recommended her. What a contrast to my earlier experience!! Angel walked into the room looking very sexy and was very happy for me to undress her, carressing and kissing as i went. Became hard very quickly, and she sat on the bed and gave very nice ow. then my turn with tongue and fingers while she lay back and got very wet. Said she came 3 times although if it was just once that would be a bonus for me. Lots of kissing ,fondling and then into spoons which was lovely, then doggy with her arching her back and a view of that delicious rear before an explosion as she called it in mish. Wonderful and no hurry to get rid of me. Even gave me her mobile number to make a booking for next time, and a nickname to sign the text which is "kissing man"!!! Says it all really. I do like some intimacy, and this girl sure gives it. What a find, and I left a very happy man. Thankyou Angel. You have a fitting name!!
